## HIGH CHOLESTEROL? HEART DISEASE?

The National Heart and Lung Institute is conducting a study on the relationship between high cholesterol and the incidence of heart disease. Persons aged 21 to 55 with an elevated cholesterol level, who are free of diabetes and hypertension, can be referred by their private physician for the study.

If accepted, patients will receive a complete cardiovascular and cholesterol evaluation at the National Institutes of Health, free of charge. For more information, call the National Heart and

Lung Institute at 496-6181.

## CAMPUS TRAFFIC HAZARDS

Gallaudet Security would like to bring to the attention of all drivers a number of potential traffic hazards on the campus.

1. Narrow gate entrance with solid stone pillars on either side
  2. Blinding glare between the hours of 3:00-5:00 p.m. when driving south toward the 8th Street gate
  3. Hall Memorial parking lot which is used as a main thoroughfare for vehicles and pedestrians as well as a parking facility
  4. Loading and unloading of small children from buses at Kendall School twice a day
  5. Street crossing near Krug Hall
  6. Front entrance area at College Hall, entrance steps are on driveway
  7. Area by Gatehouse where directional chart of campus blocks intersection
  8. Intersection in front of Fowler Hall
  9. Area leading to MSSD Receiving Office adjacent to children's playground
- Additional measures will be implemented to remedy these hazardous situations. In the interim, you are asked to proceed with extreme caution in these dangerous areas.

#### COMMUNITY AT MARLBOROUGH

In January 1973, a community for 100 deaf retarded, blind retarded and deaf-blind retarded adults will open in Marlborough, Mass. Each resident will have a private room and share kitchen and dining facilities with a group of approximately 12 other residents. All those in the community will participate in workshops and recreational activities both in the facility and in the community of Marlborough. Each person's physical, intellectual, emotional and social capacities will be developed to their fullest extent in an environment that is conducive to the growth of self dignity and productive skills.

More information can be obtained by writing to:

The Community Group  
120 Wells Avenue  
Newton Centre, Mass. 02159
